COMMERCIAL UNION

Or FREE TRADE is the subject that has just been defeated in our Dominion Parliament, but when they commence to debate on the subject as to whether you can buy a Watch or Clock, or in fact, anything found in a first-class Jewelry House receives a unanimous vote to the fact that you can buy cheaper from Thomas G. PREFACE.

In presenting to our patrons our first Directory of Windsor, Sandwich and Walkerville, we hope it will meet with their approval. A thorough canvass of the towns has been made, and every effort used to obtain the name of every person who should be represented in the Directory.

Mistakes will occur, but we are confident that no more thorough canvass of the towns has ever been made.

The CLASSIFIED BUSINESS DIRECTORY is a complete mirror of the business interests of the towns, and represents them to the outside world only as a business Directory can.

The MISCELLANEOUS DIRECTORY furnishes a large amount of information useful to strangers.

Thanking our patrons for the liberal patronage bestowed on our work, we remain,

Yours, respectfully,

THE PUBLISHERS.

DETROIT *Business University*

Comprises the GOLDSMITH, BRYANT & STRATTON, SPENCERIAN and MAYHEW Business Colleges, all consolidated, and is the only **Bryant & Stratton College** in Michigan.

It possesses facilities superior to those of any similar institution.

A COMPLETE BUSINESS COLLEGE !

An **ENGLISH TRAINING SCHOOL**, **SPENCERIAN SCHOOL of PENMANSHIP** and **SCHOOL of SHORTHAND** are departments of the **UNIVERSITY**.

IT HAS the finest suite of rooms, centrally located, in the large and rapidly growing metropolis of Michigan.

IT EMPLOYS a full corps of able and experienced teachers.

IT HAS the most thorough and practical course of study, which is carefully graded, beginning with the most simple and gradually leading the student through the most complicated forms of accounts.

IT INTRODUCES all the modern short and rapid methods of Bookkeeping and commercial calculations.

IT USES the Counting House System of Actual Business, requiring a Bank, Commission Houses, Wholesale House, Transportation and Insurance Offices, Board of Trade, etc.

IT TRANSACTS mercantile, commission, transportation and banking business with the Bryant & Stratton Business Colleges located in New York, Rochester, Chicago, and other distant cities, thus practically illustrating business as it occurs daily among business men.

SHORTHAND and Typewriting taught by experts. This Department offers extra advantages to young men and women who want to prepare for a life of usefulness.

ASK THE BUSINESS MEN of Detroit about this institution; they have employed and tested hundreds of its graduates, and no better judges of its merits can be found.

For particulars call at College, Griswold Street, opposite City Hall, Detroit Mich., or send for circulars.

W. F. JEWELL, President.

SONG OF THE "DRUMMER."

Words by JAMES IMRAY, Toronto.

Music by Prof. J. F. JOHNSON, Toronto.

I sing you the song of the "drummer" bold, Who sighs for the comforts of

home; But goods must be bought, and goods must be sold, And there-fore the "drummer must roam!"
THORNTON.

"All a-board going East! All-a-board going West!" is the cry that I of-ten hear; And my

hobby, I con-fess, is to tra-vel by ex-press, And of ac-ci-dents I have no fear!

I'm happy and gay to "spot
a live town."

Where business is "boom-
ing," you know!

While humming a song
my "samples" lay down.
And manage to make "a
good show!"—Chorus.

When customers come I wel-
come them all
To "sample-rooms" in
my hotel;

I'm proud to see them, and
they like to call.

I treat all my patrons so
well!—Chorus.

I live "by the way," yet
fare very well,
Some flirting I do if I
can!

Of these escapades I'm not
going to tell.

For that is not down in
my plan.—Chorus.

In commerce and trade 'tis
hard to compete.

Quotations are "way
down below;"

When I "take the road,"
I'm not to be beat,

Good orders I always
can show!—Chorus.

WINDSOR.

The largest and most important town in Western Ontario. It is beautifully situated on the bank of the River Detroit, in the township of Sandwich East, in the County of Essex, and immediately opposite the city of Detroit, in the State of Michigan, two miles north-east of the town of Sandwich the County Seat, with which it is connected by a Street Railway. It is also connected with the village of Walkerville, about two miles east, by an Electric Railway, (the first one built in Canada for practical purposes.) It is the western terminus of the Southern Division of the G. T. R., and of the Canadian Division of the Michigan Central R. R. Both these lines having powerful steam ferries for conveying their cars across the River Detroit, which is thus kept open during winter. Good ferry accommodation is afforded between Detroit and Windsor by means of large and powerful ferry boats, which run all the year round. The village of Leamington about thirty miles distant in the south-east part of the County is reached by means of the M. C. R. R. to Comber and thence by the Leamington and St. Clair Ry. Windsor will soon be connected with the south-western part of Essex County by means of the Lake Erie, Essex & Detroit River Ry, which is now being built. The town was incorporated in 1858 and has now a population of 8,500 with several important manufacturing industries. All the religious denominations are well represented and have good church accommodation. It contains High, Model, Public and Separate Schools, a large Convent, Opera House and Town Hall. The Canadian Bank of Commerce and Merchants Bank have agencies, also the Essex County Bank, (not incorporated). Three weekly newspapers, The Windsor Record, Essex Review and Windsor Clarion. It is the centre of the finest fruit growing section in Canada, and with its water and railway shipping facilities and its convenience to the border it offers unrivalled attractions to manufacturers. The town is lighted with Electric light and Gas. Has excellent Water Works, the "Holly System" with about twenty miles of water mains and over three miles of paved streets. It is a most desirable place of residence having a good water supply and sewer system. Assessed value of real and personal property (1888) \$2,551,795.

WALKERVILLE.

A flourishing village on the Detroit River, in East Sandwich township, Essex County, four miles north-east of Sandwich, the County Seat, two north-east of Windsor, the nearest banking point. It contains a large distillery. Has a good public school. Population about 1,000.
